SUPPLEMENTARY INFORMATION: The OMB is particularly interested in comments

which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the CNCS, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Comments

A 60-day public comment Notice was published in the **Federal Register** on March 9, 2012. This comment period ended May 8, 2012. No public comments were received from this Notice.

Description: CNCS is seeking approval of the MRC feasibility and process assessment survey instruments, which are used by beneficiaries of and participants in the structured preK-3 literacy tutoring program implemented by AmeriCorps members serving in Minnesota schools and preschool centers. This project will deepen CNCS's understanding of the MRC model and the program's impact on tutees' educational and other outcomes. This project will also assess the effect of the Minnesota Reading Corps on AmeriCorps member

outcomes.
